Who we are

At Chichester Bedrooms, we are committed to maintaining the trust and confidence of our visitors to our website and service users. In particular, we want you to know that Chichester Bedrooms is not in the business of selling, renting or trading email lists with other companies and businesses for marketing purposes. But just in case you don't believe us, in this Privacy Policy, we've provided lots of detailed information on when and why we collect your personal information, how we use it, the limited conditions under which we may disclose it to others and how we keep it secure.

Types of Data We Collect

Website Cookies

A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server.

Cookies may be either "persistent" cookies or "session" cookies: a persistent cookie will be stored by a web browser and will remain valid until its set expiry date, unless deleted by the user before the expiry date; a session cookie, on the other hand, will expire at the end of the user session, when the web browser is closed.

Cookies do not typically contain any information that personally identifies a user, but personal information that we store about you may be linked to the information stored in and obtained from cookies.
